

MECHANICAL CONTRACTORS ASSOCIATION

Q2 SAFETY UPDATE

MCA will host **Tammi Nye, Industrial Safety Consultant Specialist** from Ohio BWC to discuss grants and rebates. As small businesses there are many programs that will help to reduce workers compensation claim costs, add value to existing safety programs and increase awareness for employees.

This will be the first of Quarterly Safety Meetings for MCA members. Each quarter MCA will host an educational session as well as a luncheon to discuss current issues and updates within our industry.

We will look at trends in injuries and provide resources to become proactive in injury prevention.

Who should attend:

This session is open to all Safety, HR or other key leadership roles.

When:

April 25, 2019 11:30am
