About MCA of NW Ohio

The Mechanical Contractors Association of Northwest Ohio represents over 80 signatory mechanical contractors doing business in northwest Ohio. The voice of quality construction and system maintenance in this region, MCA of NW Ohio services include, but are not limited to:

- Labor relations,
- Safety services,
- Contractor education,
- NW Ohio Great Lakes Construction Alliance administration,
- Government relations at local, state, and federal levels,
- Contract compliance assistance,
- Promotion of our industry's value and importance to this region,
- Legal, accounting and insurance resources,
- Administration of National Certified Pipe Welding Bureau Chapter, Plumbing Contractors Association, HVACR Contractors Group, Boilermaker Employers Division, Master Insulators Association of Toledo.

MCA NW Ohio staff members also serve as trustees for several fringe benefit funds, as well as LMCCs and JATCs.

Guest Speakers

Dean Monske is the President and CEO of Regional Growth Partnership, Northwest Ohio, an award-winning private economic development organization serving the Toledo region and 17 counties of Northwest Ohio. He is a Toledo/Northwest Ohio native who has been an economic developer for 27 years and has led the RGP for over 10 years. The RGP has won several significant projects in recent years, including Peloton's first U.S. factory.

Carl Dettmer is a native of Napoleon, Ohio. He holds a degree in Broadcast Journalism from Bowling Green State University. He anchored his first radio newscast at the age of 17. After a decade in radio at WNDH and WSPD, Carl managed BGSU's computer training center for 11 years before becoming Director of Program Development for Owens Community College. Carl is currently Owens' liaison to the Ohio Cyber Range Institute, a statewide consortium dedicated to fighting the growing threats to Cybersecurity.

Dan Ryan is based out of Clarkston, Michigan, and works at Milwaukee Tool as a Strategic Account Manager. Dan and his Milwaukee team are continued supporters of MCA events and fundraisers.

Ed Van Atta is the Assistant Training Director at the Piping Industry Training. He was an MES, PITC graduate and spent several years in the field as a service technician

Troy DeGroot is a Bluebeam Certified Consultant, Bluebeam Certified Instructor, and Implementation Specialist. Troy provides industry-leading customization, implementation, and training for Bluebeam Revu to customers across the United States

Josh Minor is the Associate Curator of Education at the Toledo Zoo. He enjoys sharing hands-on lessons about zoo animals to students of all ages in a classroom, at summer camp or behind the scenes tours at the Toledo zoo.

Frank Favaro is the President of ServeCentric Coaching in Cleveland, Ohio. He is a passionate customer experience coach with 20+ years of leading the field across multiple competitive industries and excelling in leadership and sales roles. He recently partnered with MSCA in 2022 to become an NEI instructor, offering Customer Experience seminars.

Wade Kapszukiewicz is the 58th mayor of the city of Toledo. Before taking the mayoral position, Kapszukiewicz served on the Lucas County Board of Education and was a Toledo city councilman. At age 26, Mr. Kapszukiewicz had the distinction of being the youngest person to serve on the legislative body in 25 years. Wade earned his bachelor's degree in journalism from Marquette University and received his master's degree in public policy from the University of Michigan.

Luther Liggett is on counsel with Graff & McGovern law firm in Columbus, Ohio. He focuses his practice on government relations, public contracting, and construction license law, representing private-sector and public agency clients across the state as a registered Lobbyist and Litigator. Luther has over 35 years of experience and is one of only eight Administrative Law Certified Specialists in Ohio representing professionals before licensing agencies and in court. Luther is also the author of a monthly newsletter, *The Construction Conversation*.

Mike Rust is the President and an owner of Cuni, Rust & Strenk in Cincinnati, Ohio. Mike has over 30 years of actuarial consulting experience. He specializes in multiemployer pension and health and welfare plans and has extensive experience preparing projections of the future funding requirements of these plans. Mike is an Enrolled Actuary under ERISA, a Member of the American Academy of Actuaries, and an Associate of the Society of Actuaries.

Trimble Team Members will share how Trimble Connected Construction makes digitization easier than ever. Learn how to accelerate project processes and team productivity through each stage of construction, make data-driven decisions and ensure everyone is on the same page. Join us for a half-day of interactive training using the most up-to-date Trimble software.

Mark Rogers is the President of West Chester Mechanical Contractors in Philadelphia, PA, an MCAA/National Education Initiative Speaker & the 2017 Mechanical Contractor of the Year. Mark's career began as a steamfitter in Philadelphia, then he started West Chester Mechanical in 1996. Mark's passion is education for everyone involved in our industry, and he continues to help develop programs and sessions for the MCAA.

Josh Sanders Vice Chair, Government Relations and Legislation at Calfee. As a lawyer and a registered lobbyist, Josh Sanders has spent many years involved in the practice of Government Relations, bringing more than 20 years of valuable experience on a variety of complex issues to his clients across a number of unique industries.

John Labriola, Principal of Labriola Training Center is a retired Building Official and Electrical Inspector from Northeast, Ohio. John worked his way through the ranks from an electrical apprentice to a commercial contractor. He now enjoys retirement and teaches electrical code updates across the state of Ohio.

Field Leaders Conference

May 11 - May 13, 2022
Fairport, NY

Foremen and other supervisory-level field personnel have an opportunity to understand what their employers expect and what they should be doing as leaders.
