

# ETHICS IN THE PRACTICE OF CONSTRUCTION CONTRACTING AND ENGINEERING

Presented by: **Luther L. Liggett, Jr.**

Luther will discuss:

- Concept-based ethics vs. rule-based ethics.
- NSPE Code of Ethics and Ohio's Code of Ethics for engineers and surveyors as a foundation for professional conduct.
- Business benefits of practicing ethics and professional conduct.
- Disciplinary procedures.
- How to avoid misuse of engineer's seal.

**JOIN US IN PERSON AT THE MCA**
